Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 06 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Frosty overnight before Storm Barra arrives on Tuesday.

This Evening and Tonight:
Showers of rain, sleet and snow will push eastwards this evening, though will start to fizzle away leaving mostly clear skies overnight. Temperatures will drop off quickly, frost and icy are stretches likely by the morning. Minimum temperature -5 deg C (23 deg F).

Tuesday:
Turning very windy and wet by lunchtime as Storm Barra arrives, heavy snow fall is expected over hills which may lead to blizzard conditions on high routes. Feeling cold. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:
Sunny spells and blustery showers of rain, sleet and snow on Wednesday. Calmer, drier and brighter on Thursday and Friday but remaining cold with a continued risk of hill snow.
